L'Iterale 2012 - Reading/Concert

Mehrzweckraum Itter

25.05.2012

L'ITERALE 2012 - "No better country...?"

The cultural forum "Turmwind Itter" offers a cultural programme about literature and speech already for the fifth time. This year the so-called "l'Iterale" festival is dedicated to the analysis and questioning of "home-town related" topics.

In the first event the writer and farmer Sepp Kahn is sharing his "own" thoughts and rhymes on this

topic. Musical entertainment is provided by the Tyrolean ensemble "Whyrauch" with their new programme "eigen". Whyrauch also works in summer: their quiet yet booming, often very unconventional and offbeat interpretations of classic, modern and folk music songs are fascinating and thrilling throughout the whole year.

Admission: € 15,00
